

Choosing an Exam

The easiest way to choose a pre-existing exam is to click on the “Exams” tab at the top of your page. However, instead of clicking “Create a New Exam” as we did before, move your eyes toward the center of the page to “Exams List.”

Here, you can access the 200+ Green Dot exams in the system, including ALS Benchmarks, user-created exams, and more.

To do so, simply click the appropriate check-boxes and click “Submit.”
