

## School Profiler: API

**Step 1:** Access School Profiler at:

<http://www.achievedata.com/schoolprofiler>

**Step 2:** On the main screen, enter your email address and click the “Login” button.

### School Profiler Login

Please enter your e-mail address to log in to School Profiler.

E-mail Address (required):

### Welcome to School Profiler

If you have received an **access key**, please enter it here.

Access Key (optional):

If you do not have an access key or are unsure, you may continue without an access key.

**Step 3:** Next, simply click the “continue without an access key” link.

**Step 4:** Now, you’ll find yourself at the school profiler screen. The first thing you need to do is select your school. You can do this by typing your school’s name into the search box and clicking the appropriate result.

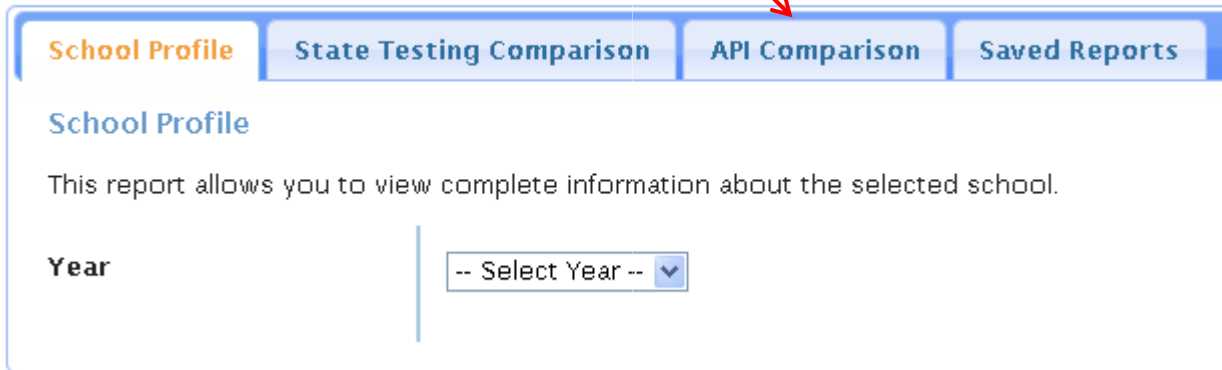

### Step 1: Select a School

School

animo
<b>Animo Leadership High</b> Lennox Elementary
<b>Animo Film and Theater Arts Charter High</b> Los Angeles Unified
<b>Animo Jackie Robinson High</b> Los Angeles Unified
<b>Animo Justice Charter High</b> Los Angeles Unified
<b>Animo Locke Charter High School #1</b> Los Angeles Unified

**Step 5:** To access API data, click the “API Comparison” tab.

### Step 2: Specify Report Type and Options

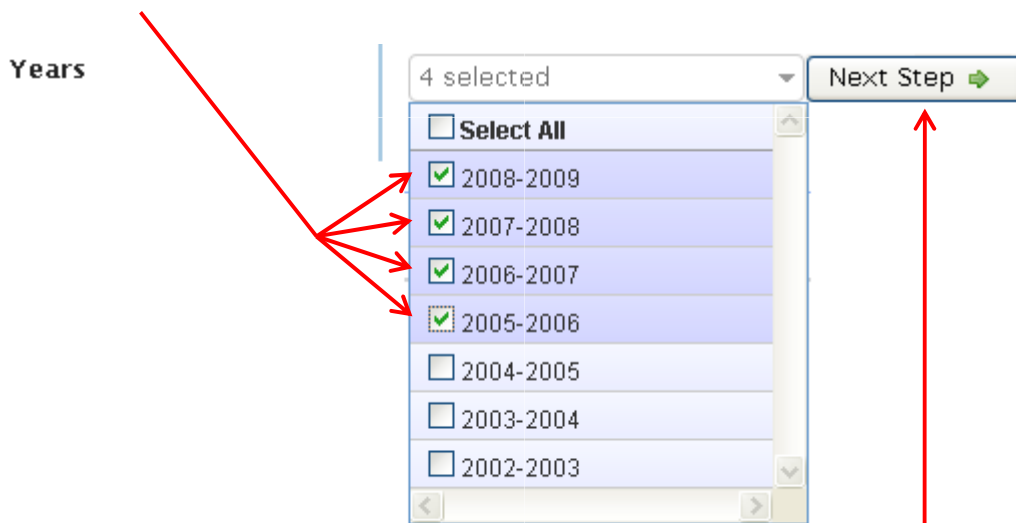

**School Profile**

This report allows you to view complete information about the selected school.

**Year**

**Step 6:** Select the years you’d like to include in your report by checking the appropriate boxes.

**Years**

4 selected

<input type="checkbox"/>	Select All
<input checked="" type="checkbox"/>	2008-2009
<input checked="" type="checkbox"/>	2007-2008
<input checked="" type="checkbox"/>	2006-2007
<input checked="" type="checkbox"/>	2005-2006
<input type="checkbox"/>	2004-2005
<input type="checkbox"/>	2003-2004
<input type="checkbox"/>	2002-2003

When you’re finished, click the “Next Step” button.

**Step 7:** Review your comparison schools and decide if you'd like to add or remove any.

Comparison Schools

To remove a school, click the "X" in the upper-right hand corner.

To add a school, type in the "Comparison Schools" box. Select the appropriate school when it pops up.

**Step 8:** Choose your chart style: bar or line.

Chart Style

Please select a Chart Style

**Step 3:** Click "Build Report"

Build Report

**Step 9:** Click the "Build Report" button.

**Step 10:** If your chart has empty bars , click the checkbox next to “Show empty bars” to remove them.

**Step 11:** If you'd like to export your chart, click the “Image (png)” link next to the chart.

Then, once the file is open, right-click on the image and save it to your desktop. Huzzah! You're finished!
